

UNITY CITY

EXECUTIVE SUMMARY

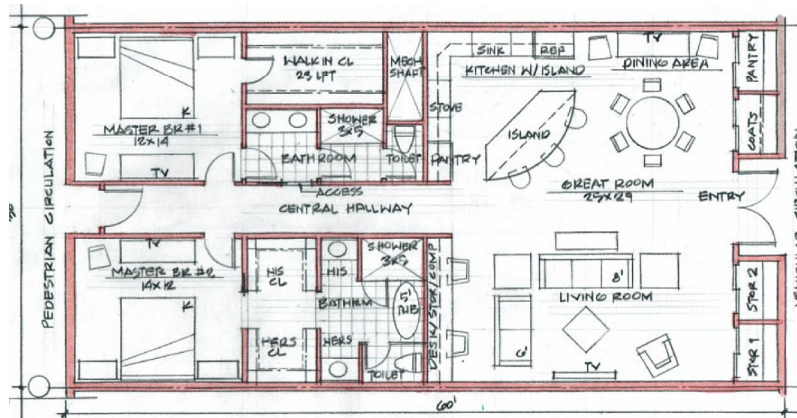

More people are living to be 100 years old than at any other time in history. There are now more Seniors than ever looking for the proverbial fountain of youth. Unity City has just what the Senior crowd is looking for. At Unity City, we are making the extra effort to help people get the most out of life with a futuristic vision and practical anti-aging programs, apps and activities to achieve a healthy active lifestyle.

Unity City has a grand vision for the future to accommodate Seniors and their desire to live in a healthy energy efficient living space. We deliver an amazing array of programs that includes classes and coaching to achieve a better quality of life. Our trained wellness professionals deliver various health initiatives inside our concrete fortress constructed of durable, sound-proof concrete that provides the most energy efficient structure possible.

Unity City's delivers results with our health and wellness programs. Our trained staff provides proper coaching and intense motivation to teach residents about a whole new way of living. If change is the only constant in life, then Unity City is right on target with its high-tech digital communication system designed to educate and motivate residents to embrace change. Unity City has performance coaches on staff that are trained to direct residents to take on new challenges. One of our goals is to help every resident live life to its fullest and make sure every day is one worth remembering.

UNITY CITY PLANS TO BUILD A CONCRETE FORTRESS DEDICATED TO BEING COMPLETELY ENERGY EFFICIENT. THIS BUILDING, COINED A "LONGEVITY CENTER" IS FILLED WITH EQUIPMENT, SYSTEMS, PROGRAMS AND ACTIVITIES THAT ARE DESIGNED TO PROMOTE HEALTHY ACTIVE LIFESTYLES AND IMPROVE CHANCES FOR A LONGER HEALTHIER LIFE.
